Dear Hal:

I'm enclosing various copies of things I've written and I welcome any comments you may have.

By the way, in my article, "another Look ---", refer to the photo showing Zapruder frame 260. This particular frame was not chosen by me (it was chosen by the editor of the article). The selection of Z-260 is misleading (if anything the editor should've picked Z-206 instead). I've written to the editor and they'll make a correction in the next issue.

Best,
Hal Verb
